Subject: Letter of Support– Climate Pollution Reduction Grant (CPRG) Implementation Grant

To Whom It May Concern,

I am writing this letter on behalf of The Miami Foundation to express our strong support for the CPRG Implementation program for the 'Miami-Fort Lauderdale-Pompano Beach Metropolitan Statistical Area' (MSA), inclusive of Monroe County.

The Southeast Florida program will reduce greenhouse gas emissions, implement adaptation strategies, and build climate resilience across the region through the Southeast Florida Regional Climate Change Compact partnership.

The Miami Foundation builds the philanthropic, civic, and leadership backbone for Greater Miami. Since 1967, the Foundation has invested over \$651 million to strengthen our community with partnerships and contributions from more than 1000 fundholders and 35,000 donors. The Miami Foundation, which currently manages over \$540 million in assets, mobilizes donors, nonprofits, leaders, and locals to set a bold vision for our community's future and to invest in a stronger, more equitable, more resilient Greater Miami.

We offer this letter of collaboration in support of applying for and the implementation of the CPRG Implementation program.

Sincerely,

Nikisha Williams
