**Subject: Letter of Support– Climate Pollution Reduction Grant (CPRG) Implementation Grant**

To Whom It May Concern,

I am writing this letter on behalf of JiJ Construction Corp to express our support for the Climate Pollution Reduction Grants (CPRG) implementation program to provide grants to states, local governments, tribes, and territories.

JiJ Construction Corp is aware of the program's objectives and supports the program. I understand that the program aims to reduce greenhouse gas emissions, implement adaptation strategies, and build climate resilience across the Southeast Florida region through a partnership known as the Southeast Florida Regional Climate Change Compact.

JiJ Construction Corp is an SBE in the construction field. We do renovations to commercial and private sectors and believe this implementation will be beneficial to everyone.

We offer this letter of collaboration in support of the implementation of the CPRG Planning grant.

Sincerely,

*Kati Cassiani,* EI, GC, CPM.
