To: Environmental Protection Agency
1200 Pennsylvania Avenue, N.W.
Washington, DC 20460

From: Megan Houston, Director, Office of Resilience, Palm Beach County

MSA: Miami-Fort Lauderdale-Pompano Beach Metropolitan Statistical Area

**Subject: Letter of Commitment to Participate in Coalition – Climate
Pollution Reduction Grant (CPRG) Implementation Grant**

To Whom It May Concern,

I am writing on behalf of Palm Beach County's Office of Resilience with the intent to support the designation of Broward County as the Lead Applicant with responsibility for managing grant funds and administrative functions pertaining to the CPRG Implementation program on behalf of the 'Miami-Fort Lauderdale-Pompano Beach Metropolitan Statistical Area' (MSA).

Palm Beach County's Office of Resilience intends to commit to the MSA counties (Miami-Dade, Broward, and Palm Beach), together with Monroe County, to work collaboratively to reduce regional greenhouse gas emissions, implement adaptation strategies, and build climate resilience across the Southeast Florida region through a partnership known as the Southeast Florida Regional Climate Change Compact.

With resources from this grant, Palm Beach County's Office of Resilience intends to support the implementation of programs related to residential energy efficiency and weatherization, community electric vehicle infrastructure, and residential and commercial solar installation. In combination, these programs will reduce greenhouse gasses across the four-county region.

Palm Beach County's Office of Resilience offers this letter of collaboration in support of applying for and the implementation of the CPRG Planning grant.

Sincerely,

Megan Houston, Director, Office of Resilience, Palm Beach County
