SUBJECT: Intent to Join Hawai'i's EPA Climate Pollution Reduction Grant (CPRG)
Coalition and Sign Memorandum of Agreement

Dear Mark Glick:

The City and County of Honolulu (City) Mayor's Office of Climate Change, Sustainability and Resiliency (Resilience Office) coordinates City and community efforts to meet our ambitious goals to reduce and eliminate carbon emissions on O'ahu by 2045 or sooner. We are pleased to be collaborating with the State of Hawai'i, via your office, and with the Counties of Kaua'i, Maui, and Hawai'i on the development of a coalition application to the US EPA for CPRG Implementation Funds.

We have reviewed a draft of the proposed Memorandum of Agreement (MOA) between the parties mentioned above, and intend to sign the MOU on review and acceptance of the final version. Mahalo for your continued collaboration to meet our shared goals.

Sincerely,

**Sullivan,
Benjamin**
