To Whom It May Concern,

The County of Maui Office of Economic Development (OED) and Office of Innovation and Sustainability (OIS) have proposed several projects to the US EPA Climate Pollution Reduction Grants (CPRG) Program in coalition with our Neighbor Island Counties and the State of Hawai'i. We understand that the final proposal will be collectively submitted through the State of Hawai'i. OED and OIS are prepared to sign the Memorandum of Agreement (MOA) when it becomes available to us from the State to help facilitate funding these important CPRG initiatives in Maui Nui.

Sincerely,

A handwritten signature in blue ink that reads "Luana Mahi".
