RE: Idaho Air Quality grant proposal

Dear Ms. Anderson:

Idaho Department of Fish and Game (IDFG) supports the Idaho Department of Environmental Quality (DEQ) Implementation grant application for EPA funding. IDFG is committed to fully supporting this grant for the full length of the agreed upon timeframe. IDFG will participate or directly assist in the design and performance of the project as outlined in the proposal.

IDFG has a long history of habitat project implementation. The metrics outlined within the Promote Sustainable Lands and Support Conservation and Restoration of Idaho's Lands measures of the proposal fall directly within our mission statement. IDFG has the staff capacity to fully execute the activities within the agreed upon timeframes. IDFG has strong interest in protecting and maintaining working, rural landscapes from development, as well as enhancing the value of those landscapes for wildlife and climate resilience.

Sincerely,
