

**Kinley Deller**  
**King County Solid Waste**  
201 S. Jackson St, Seattle, WA 98104  
(206) 477-5272 [kinley.deller@kingcounty.gov](mailto:kinley.deller@kingcounty.gov)

### **Qualifications Summary**

- Twenty-five years experience as a Program/Project Manager for King County's Solid Waste Division
- Twenty years experience coordinating C&D, deconstruction, and building salvage programs for King County's Solid Waste Division
- Seven years experience serving as a representative on the Kitsap County Solid Waste Advisory Committee
- BA in Environmental Studies and Sociology

### **Knowledge and Action Related to the Circular Economy for Salvaged Lumber**

- Twenty years experience coordinating C&D, deconstruction, and building salvage programs for King County's Solid Waste Division
- Authored/shepherded four WA State Building Code Council code amendments in support of salvaged lumber reuse, building deconstruction, and C&D
- Authored/shepherded language supportive of salvaged lumber reuse, deconstruction, and C&D in the King County Strategic Climate Action Plan, King County Solid Waste Comprehensive Plan, and King County Code
- Coordinated an international virtual summit focused on a circular economy for salvaged lumber with 170 participants from 11 countries and 24 North American states/provinces

### **Coordination and Leadership Skills**

- Manage the King County Solid Waste Division's 4-person C&D team
- Coordinate the King County C&D stakeholder group
- Co-facilitate the Regional C&D Coordination Program with numerous public agencies (including local, state, and federal)
- Provide trainings and presentations for a wide range of audiences from internal King County staff to national conferences

### **Contracting and Grant Experience**

- Experience managing project contracts, budgets, and program performance evaluations for a number of different waste reduction and recycling programs including the management of a consultant contract that was over \$1M
- Coordinated distribution of more than \$600,000 in grant funding for C&D market development between 2019 and 2023

### **Other Related Experience**

- Coordinate with the King County Prosecuting Attorney's Office on various C&D related issues
- Co-coordinated the compilation and editing of the 2012 King County Annual Environmental Sustainability Report

- Provide technical assistance for contractors and King County project managers on building salvage, building deconstruction, construction recycling/waste reduction, and the writing of related contract specifications

**Additional Demonstrated Abilities**

- Effectively manage multiple tasks, prioritizing and completing high priority tasks within deadlines
- Manage program budget and provide assistance with annual team budget- working to clarify inconsistencies between contract and account budgets
- Communicate program goals and issues efficiently, both orally and in writing, in technical terms as well as layman's terms
- Prepare written documents including reports, letters and memos
- Work and communicate productively with people of varying ages, cultural backgrounds and mindsets

**Experience**

- Program/Project Manager, King County Solid Waste Division, Seattle, WA 1999-present
- Kitsap County Solid Waste Advisory Committee Regional Representative, 2003 – 2012
