RE: Climate Pollution Reduction Grant coalition application

Angela Ellis
Deputy Planning Director
Livingston County
6 Court Street, Room 305
Geneseo, NY 14454

Dear Ms. Ellis:

This letter confirms the membership of the Town of Avon in the Coalition led by the Livingston County Planning Department. We appreciate this opportunity to collaborate with Livingston County by formally joining your Coalition to secure EPA Climate Pollution Reduction General Competition Implementation Grant funding.

It is our understanding that this Grant will help to fill funding gaps in implementing concrete measures to reduce greenhouse gas emissions in our community and protect human health and the environment in the face of the increasing impacts of climate change. These increased challenges invite the opportunity to invest in a cleaner economy and infrastructure to spur innovation and economic growth while building resilient communities.

Please understand this letter as our intention to sign Livingston County's future Memorandum of Agreement required for this grant application and commit to the full duration of the grant schedule. We appreciate the opportunity to partner with the Livingston County Planning Department and hope we are successful in securing EPA Grant funds. If you need further information, please contact me at 585-226-2425, 585-303-4759 or email dlefeber@avon-ny.org.

Sincerely,

David LeFeber
Supervisor, Town of Avon
