Michael J. Falk
Lima Town Supervisor
7329 East Main St.
Lima, NY 14485

Dear Sir,

I am the owner of Shrier-Martin, a business on Rochester St. north of the Village in the Town of Lima. I am writing to ask that you extend the sidewalk on Rochester St. (State Route 15A) from Gale Rd north to the Town Line.

The additional sidewalk would provide several benefits for my employees:

- Lima based employees would be able to walk to and from work safely
- Break time walking south to restaurants & shopping or north to the road side produce stand would become possible
- More pedestrians means fewer cars on the road – and that helps everyone
- Healthier employees are happier employees

Thank you for considering.

Best Regards,

Brett Siewert
Vice-President
