RE: Letter of Commitment for Arkansas Tri-Region Coalition's CPRG application

Dear Mr. Covington:

This letter is intended to express Lonoke County's and the City of Cabot's commitment to supporting the goals outlined in the Arkansas Tri-Region Coalition's Climate Pollution Reduction Grant (CPRG) implementation application. Metroplan is recognized as a leader in regional transportation and sustainability planning within Central Arkansas and this grant proposal expands upon its past success.

Lonoke County and the City of Cabot support the Regional Greenway Greenways Plan developed by Metroplan to connect communities within Central Arkansas through an extensive greenways system. A central piece of this is the Lonoke County Multi-Use Trail that will connect Conway with Austin and Ward. With segments of this trail scheduled for construction this year and others under design, Lonoke County and the City of Cabot look forward to participation in the Green Network elements of the CPRG Grant plan. We also intend to participate in building efficiency programs, CPACE benefiting small business in the county, and the streetlight conversion to LED program.

This coalition of Metroplan, the Northwest Arkansas Regional Planning Commission, and City of Fort Smith demonstrates the value of Arkansas Metropolitan Areas working together to maintain the Natural State and address the environmental and air quality challenges it faces.

Sincerely,

Doug Erwin

Lonoke County Judge
