RE: Climate Protection Reduction Grant (CPRG) Coalition

Dear Administrator Regan.

I write to confirm that the Shakopee Mdewakanton Sioux Community (SMSC) is part of the CPRG coalition proposal on equitable residential decarbonization being submitted by the Minnesota Pollution Control Agency (MPCA) as the lead entity for the proposal. As part of the coalition, we will deliver programming to help residents and/or organizations in our community complete planning and work to decarbonize homes through efficiency and electrification and other relevant technologies.

The SMSC plans to work with the MPCA on development and execution of a memorandum of agreement (MOA) that lays out responsibilities of each party. This MOA will be submitted to EPA by July 1, 2024.

Sincerely,

Cole W. Miller
Chairman
