Dear Environmental Protection Agency,

I write to confirm that the City of Winona is part of the coalition proposal on equitable residential decarbonization being submitted by the Minnesota Pollution Control Agency (MPCA) as the lead entity for the proposal.

As part of the coalition, we will deliver programming to help residents and/or organizations in our community complete planning and work to decarbonize homes through efficiency and electrification.

We plan to work through the development of a memorandum of agreement with MPCA that lays out responsibilities of each party and will sign the MOA agreed to by all parties. This MOA will be submitted to EPA by July 1, 2024.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chad Ubl'.
