The Honorable Michael Regan
Secretary, U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, N.E.
Washington, D.C. 20004

Dear Administrator Regan:

This letter is in reference to Support for the State of New Jersey's Coalition application entitled "Clean Corridor Coalition".

The purpose of this letter is to express strong support for the State of New Jersey's Coalition application in response to EPA's Notice of Funding Opportunity (NOFO) No. EPA-R-OAR-CPRGI-23-07. As required by the NOFO, as a member of the coalition, we intend to enter into a Memorandum of Agreement with the New Jersey Department of Environmental Protection and the other members of the coalition that sets for the specific roles and responsibilities of each partner agency as well as other information called for by the NOFO. The New Jersey Department of Environmental Protection expects to submit this MOA no later than July 1, 2024.

We are pleased to join New Jersey in this coalition application to provide opportunities for medium and heavy-duty electric vehicle charging. Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nicole Majeski".
