Letter of Commitment for Riverside-San Bernardino-Ontario Metro Area's CPRG Implementation Grant Application

Dear Mr. Joshua Lee

The Western Riverside Council of Governments (WRCOG) is pleased to support the Riverside-San Bernardino-Ontario Metro Area's Climate Pollution Reduction Grant (CPRG) application. The application is led by the San Bernardino County Transportation Authority / San Bernardino Council of Governments (SBCTA/SBCOG), in coalition with the Western Riverside Council of Governments (WRCOG) and the Coachella Valley Association of Governments (CVAG) to achieve significant greenhouse gas emission reductions while delivering community benefits, particularly to the region's most vulnerable communities.

The mission of the WRCOG is to facilitate, plan, and identify funding opportunities for critical infrastructure projects and programs that benefit its member agencies and the communities they serve. One of WRCOG's strategic goals is to develop and implement programs supporting our region's resilience.

WRCOG is the lead administrator for the Inland Regional Energy Network (I-REN) and has experience administering grants across the entire metro area. The CPRG grant is aligned with WRCOG's mission to bring valuable resources that directly benefit the Inland Empire's most vulnerable families. Measures outlined in this grant will help improve air quality, increase families' resilience and self-sufficiency, and ensure that they are included in the transition to a clean energy economy.

WRCOG will do the following as part of this grant:

- Administer funds for the municipal building decarbonization measure.
- Responsible for overall program oversight and administration of the revolving loan fund (RLF) funds, including subcontractors.
- Serve as lead administrator for activities and responsibilities part of I-REN

WRCOG is pleased to collaborate with the regional team and fellow grant stakeholders in this proposal to advance our region's goals. Thank you for taking the time to review and consider our ideas.

Sincerely,
