San Bernardino County Transportation Authority/San Bernardino  
Council of Governments 1170 W 3rd St San Bernardino, CA 92410

March 25, 2024 Letter of Commitment for Riverside-San  
Bernardino-Ontario Metro Area's CPRG Implementation Grant  
Application

Dear Mr. Joshua Lee,

The Chino Valley Chamber of Commerce is pleased to support the Riverside-San Bernardino-Ontario Metro Area's Climate Pollution Reduction Grant (CPRG) application. This initiative is led by the San Bernardino County Transportation Authority/San Bernardino Council of Governments (SBCTA/SBCOG), in collaboration with the Western Riverside Council of Governments (WRCOG) and the Coachella Valley Association of Governments (CVAG). The goal is to achieve significant reductions in greenhouse gas emissions while delivering community benefits, particularly to the region's most vulnerable communities.

The Chino Valley Chamber of Commerce aspires to be a trusted catalyst and convener, igniting growth and positive change for businesses and our community. Through our robust ecosystem and partnership with I-REN, the CPRG grant aligns with our mission to provide valuable resources that directly benefit the Inland Empire's most vulnerable families. Our vision is to lead with innovation and strategic partnerships to nurture a thriving business community and drive positive regional change. Therefore, the measures outlined in this grant will help improve air quality, increase families' resilience and self-sufficiency, and ensure their inclusion in the transition to a clean energy economy.

As part of this grant, the Chino Valley Chamber of Commerce commits to the following actions:

- Establish partnerships with all selected contractors working on this grant
- Assess and document the specific workforce needs of the contractors
- Collaborate with Inland Empire Desert Regional Consortium and community colleges to communicate contractor needs and provide feedback on training programs in support of CPRG measure implementation
