

Julie Oates

T-2: Implement the VTA Visionary Transit Network

Project Manager, City of Gilroy, Zero-Emission (ZE) Microtransit Service

EXPERIENCE

Capital Improvement Program, Engineer II for City of Gilroy, CA

Role includes managing the planning, design, bidding, and/or construction of a variety of Capital Improvement Projects.

Sample Projects:

- Transportation Circulation Master Plan and TIF Updates
- CIP Program Management Services for 21 CIP Projects
- Downtown Parking Study and Management Plan
- Planning and design of the Tenth Street Bridge at Uvas Creek
- Egleberry and Seventh Parking Lot
- FY 2022, FY 2023, and FY 2024 Citywide Pavement
- Rehabilitation Projects
- FY 2023 Citywide Curb Ramp Project
- City Hall Backup Generator and Infrastructure Upgrade

Other Duties Include:

- Assist in developing the bi-annual Public Works Dept budget
- Represent the City on the VTA SOM Working Group
- Acting as a Senior CIP Engineer
- Review and respond to public requests on operational, safety, TDM, and traffic calming projects
- Assist with managing On-Call Contracts
- Training of junior engineers, planners and technicians
- Assist with development projects and associated public improvements
