

EPA Climate Pollution Reduction Grant (CPRG) Implementation Grant

Confederated Tribes of the Umatilla Indian Reservation Coalition

Applicant Information: CTUIR,

Contact: Althea Huesties-Wolf FFPP DNR

(541) 429-7420; AltheaWolf@CTUIR.org

Type of Application: Individual Application with Sub-Recipient Partners

Funding Requested: \$18,095,572

Application Title: Expanding CTUIR Greenhouse Gas Reduction Capacity

Description of GHG Measures:

- Transportation: Replace and supplement transportation for public transit with Electric Vehicle (EV) technology;
- Transportation: Implement local walking paths to reduce vehicle traffic and all activities associated;
- Waste & Materials Management: Invest in and implement biological waste management infrastructure and services to prevent methane emissions and to produce renewable energy generation;
- Agriculture: Prevent unnecessary carbon emissions from forest management activities by continuing access to biomass processing facilities.

Sector(s): Transportation, Waste and Materials Management, Electric Power, and Agricultural/Natural Working Lands.

Expected Cumulative GHG Reductions:

Priority Measure	5-year implementation cost (\$)	GHG reduced 2025-2030 (MTCO2E)	GHG reduced 2025-2050 (MTCO2E)
Kayak Public Transit & Fleet Electrification	\$1,955,200	555,730	2,697,072
Nixyáawii Watikš Trail Project	\$2,566,950	9,940	947,341
Organic Waste Management	5,934,000	2,626	16,833
Pulp Tree Processing and Innovation	\$7,639,422	110,866	1,437,734
Total	\$18,095,572	679,162	5,098,980

Location(s): Umatilla Indian Reservation (CEJST#:41059950400) including Mission OR, and Umatilla County including City of Pendleton, City of Hermiston (including CEJST#: 41059951000, 41059950900, and 41059950800), City of Milton-Freewater (including CEJST#: 41059950100), and City of Pilot Rock.

Applicable PCAP Reference(s): Oregon State Priority Climate Action Plan (PCAP), developed by Oregon Dept of Environmental Quality. Available here: [oregon-cprg-pcap.pdf \(epa.gov\)](#), pages 15-20.
