Subject: *CPRG Phase II Implementation Grant Application,
Workspace #WS01269412*

Amount: *\$74,744,454*

\$4.3B in CPRG Phase II Implementation Grant funding is available to states, municipalities, and tribes for GHG emission reduction measures that are included in state, municipal, and tribal priority climate action plans (PCAPs). DEQ/DAQ was selected to develop a PCAP using CPRG Phase I Planning Grant funding, which was awarded July 19, 2023. DEQ/DAQ completed a PCAP, which was submitted to EPA on March 1, 2024. DEQ/DAQ is now finalizing its application for Phase II Implementation Grant funding. The application seeks \$74,744,470 in funding for nine GHG emission reduction measures that include a total of 14 distinct program areas.
