Salt Lake City, Utah

INTRODUCTION

State government professional, committed to serving all community members of Utah. I am experienced in both managing and supporting programs and projects, as well as working collaboratively on a team. I produce quality and accessible materials for outreach. With a background in urban planning, my continued interest is in public policy (especially focused on environmental issues like air quality).

AREAS OF EXPERTISE

- Program & Project Management
- Grant Management
- Public Policy
- Community Outreach
- Communications
- Urban Planning

VOLUNTEER EXPERIENCE

Salt Lake County

- 2021: COVID Mass Vaccination Sites
