RE: Letter of Intent – Coalition Commitment for EPA’s Climate Pollution Reduction Grants Program Implementation Grant

Dear Mr. Briones,

Ventura County Regional Energy Alliance (VCREA) is a Committed Coalition Member with Lead Applicant County of Ventura and other Coalition Partner Organizations for the EPA Climate Pollution Reduction Grants (CPRG-Implementation) Program Implementation Grant. VCREA has been included in the development of the Ventura County Oxnard-Thousand Oaks-Ventura, CA Metro Area Priority Climate Action Plan. VCREA will work with County of Ventura to develop and sign onto a CPRG-Implementation Memorandum of Agreement (MOA) by July 1, 2024. This MOA will outline the roles, responsibilities, and commitments of partners for project success, aligning with project goals. The MOA will describe the proposed coalition operating model, the benefits of collaboration, and the resources each partner will contribute. We acknowledge that while the County of Ventura will be accountable to EPA for effectively carrying out the full scope of work and the proper financial management of the grant, VCREA is also accountable to the County of Ventura for the proper use of EPA funding and successful project Implementation.

Sincerely,

A handwritten signature in cursive script that reads "Laura D. Hernandez".
