

California State Senate

SENATOR MIKE MCGUIRE

PRESIDENT PRO TEMPORE

NORTHERN CALIFORNIA'S SECOND SENATE DISTRICT

March 19, 2024

Michael Regan
Administrator, Environmental Protection Agency
1200 Pennsylvania Avenue, N.W.
Washington, DC 20460

Dear Administrator Regan:

I am writing to express my strong support of the Town of Windsor's application for the Climate Pollution Reduction Grant to fund the Windsor Water Reclamation Facility Biosolids Handling Project.

The proposed project would construct a local biosolids treatment plant that will serve the Town of Windsor and surrounding communities including Healdsburg, Cloverdale, Santa Rosa, Sonoma County and the Lytton Rancheria of California.

This project aligns with the region's climate and equity goals. The implementation of this project has the potential to resonate far beyond Sonoma County, setting a new precedent for sustainable practices and collaboration in environmental stewardship in the Golden State.

I respectfully encourage you to support this proposal. If you have any questions, please do not hesitate to reach out to us at 707-576-2771.

Warmest regards,
