To The Township of Woodbridge:

On behalf of the City of Hoboken, I am submitting this letter to serve as notice of our intent, subject to review and approval by the City Council, to sign the Memorandum of Agreement (MOA) with the coalition of entities in the State of New Jersey, led by the Township of Woodbridge, that is submitting an implementation project application to the Environmental Protection Agency (EPA) Climate Pollution Reduction Grant (CPRG) program. The MOA will describe the roles and responsibilities of each coalition member in implementing the proposed reuse measures described in the CPRG application.

When provided, a resolution will be introduced to the City Council authorizing the City to enter into the MOA which will propose Mayor Bhalla, or his designee (myself) as authorized to sign the MOA on behalf of the City of Hoboken and bind the City of Hoboken to the MOA.

Sincerely,

Jennifer Gonzalez, Director of Climate Action + Innovation
