**A RESOLUTION TO SUPPORT DOMINION ENERGY VIRGINIA'S EFFORTS TO
SEEK FUNDING FOR POTENTIAL SMRS AT NORTH ANNA NUCLEAR POWER
STATION**

WHEREAS, Louisa County recognizes nuclear power as a safe, reliable, carbon-free power generation resource that is essential for reducing greenhouse gas emissions while ensuring reliable power for Louisa County residents and residents of the Commonwealth; and

WHEREAS, Louisa County has been home to North Anna Nuclear Power Station for over 50 years; and

WHEREAS, Louisa County has seen the direct benefits from over \$422 million in tax revenue to the county, hundreds of full-time high-paying and high-quality positions, ongoing strong community support from North Anna Nuclear Power Station, and economic benefits stemming from Lake Anna; and

WHEREAS, Louisa County desires the increased tax revenues, high-paying and high-quality jobs, and carbon-free energy that the development, construction, and operations of small modular reactors (SMR) can bring to the County and Commonwealth; and

WHEREAS, Louisa County recognizes the financial impact constructing new energy projects can have on utility customers.

NOW, THEREFORE, BE IT RESOLVED, on this 18th day of March 2024, that the Louisa County Board of Supervisors does hereby extend their support to Dominion Energy Virginia's activities related to site development and permitting of SMRs on Dominion Energy Virginia-owned property at North Anna Nuclear Power Station and efforts to seek funding as part of the Virginia Climate Pollution Reduction Grant as it shows fiscal responsibility and awareness to its customers, of which 4,597 reside in Louisa County.
