

Appendix C

Integration and Synthesis Summaries

C-A. Animal Integration and Synthesis Summaries

- C-A1. Amphibians Integration and Synthesis Summaries
- C-A2. Birds Integration and Synthesis Summaries
- C-A3. Bivalves Integration and Synthesis Summaries
- C-A4. Crustaceans Integration and Synthesis Summaries
- C-A5. Fishes Integration and Synthesis Summaries
- C-A6. Hawaiian Species Integration and Synthesis Summaries
- C-A7. Insects Integration and Synthesis Summaries
- C-A8. Mammals Integration and Synthesis Summaries
- C-A9. Reptiles Integration and Synthesis Summaries

C-B. Plant Integration and Synthesis Summaries

- C-B1. Non-flowering and Abiotic Pollination Plant Groups Integration and Synthesis Summaries
- C-B2. Flowering Plants, Biotic Pollination Vectors Integration and Synthesis Summaries
- C-B3. Flowering Plants, Biotic Pollination Vectors; Asexual Reproduction or Self-Fertilization Integration and Synthesis Summaries
- C-B4. Flowering Plants, Biotic Pollination Vector; Other Reproductive Mechanisms Unknown Integration and Synthesis Summaries
